DEPT FOR ISN/MTR (K.WILSON), T, AND EUR/AGS

E.O. 12958: DECL: 10/05/2032  
TAGS: [PARM](#) [MTCRE](#) [PREL](#) [ETTC](#) [SZ](#)  
SUBJECT: MTCR: SWISS EXPRESS "NO PROBLEMS" WITH MODIFIED  
U.S. UAV/CRUISE MISSILE EXPORT CONTROLS PROPOSAL

REF: STATE 132312

Classified By: Acting POL/ECON Counselor Chris Buck; reasons 1.4(b) and  
(d).

(C) Poloff delivered the message and non-paper in reftel on September 27 to Swiss Department for Economic Affairs (SECO) Chief of Export Control Policy Erwin Bollinger. SECO Chief of Dual-Use Export Controls Juergen Boehler participated in the meeting. Bollinger thanked poloff for the non-paper and said that he saw "no problems" with the proposal. Echoing that comment, Boehler remarked only that the reference to an end-user statement in the "Note" under the proposed change to "1.A.2", might be seen by some export control experts as rather subjective, in a field where objective indicators are preferred.
